NOME	CLIENTE / CLIENTE FINAL
2024	
Project for the Engagement of Local Communities of the São João de Ver Photovoltaic Plant	R Power
Response Work to the Environmental Impact Declaration Requests of the Nisa Photovoltaic Plant	Incognitworld 4, Unipessoal, Lda.
Study of Major Constraints of the Pinhel Hybrid Wind Farm	Jenner
Preliminary Assessment Study of the Batão 1 Photovoltaic Plant Project	Chint Solar Portugal
Flora and Vegetation Monitoring Plan for the Cimpor Photovoltaic Plant in Souselas	TripleWatt
Ecological Monitoring of the Beira Wind LSbp Project	LightsourceBP
Ecological Monitoring of the Alqueva Wind LSbp Project	LightsourceBP
Ecological Monitoring of the Sophia Wind LSbp Project	LightsourceBP
Preliminary Assessment Study of the Over-equipment of the Valverdinho Photovoltaic Power Plant	RP Global
Preliminary Assessment Study for the Relocation of Three Wind Turbines of the Valverdinho Wind Power Plant	RP Global
Study of Major Constraints of the Cristóvão Colombo 2 Photovoltaic Plant	ECO
Ecological Monitoring of the Cristóvão Colombo 2 Photovoltaic Plant Project	ECO
Hydrogeological Study for the Cristóvão Colombo 1 Photovoltaic Plant Project Area	ECO
Preliminary Assessment Study of the Sincelo Photovoltaic Plant	Finerge
Preliminary Assessment Studies of Energy Storage Projects - GALP Batteries in Alcoutim	GALP
Bat Monitoring in the Area of the Cristóvão Colombo 2 Photovoltaic Plant Project	ECO
Environmental Compliance Report of the Execution Project for the Cercal Photovoltaic Plant Line Project	Parrotcircle Unipessoal
Environmental Consultancy for AKUO's Renewables Projects	Akuo Energy
Environmental Impact Assessment for the hybridization of four photovoltaic plants in Alcoutim	Galp Parques Fotovoltaicos de Alcoutim, Lda.
Pre-licensing elements for the Pocinho, Mogadouro I and Mogadouro II photovoltaic plants	Qenergy
Socio-economic, human health and spatial planning component (reference situation for a biomethanol production plant in Mangualde)	Tecninvest

NOME	CLIENTE / CLIENTE FINAL
2024	
Spring flora campaign in the study area of ENERTRAG's wind farm project in the municipality of Pombal	ENERTRAG
Application for extension of the EIS for the São Miguel do Pinheiro CSF	FERMESOLAR
Alrota Photovoltaic Plant - Hydrological Study; Erosion Control Plan; Prior Communication to CCDR.	Capwatt
EAP for an Allotment in Setúbal	GAMMA MU
EAP and social study of the Alcoutim Photovoltaic Plant Over-equipment (Phase II)	Solara4
Ecological monitoring as part of the CCI project - spring campaign	ECO
Additional work within the scope of the EIA for the Alqueva Power Station - Additional	INSUN – INVESTIMENTOS E CONSULTORIA S.A.
Update of the Ecological Characterization Study of Monte das Malhadinhas	CORE
Consultancy for ENERTRAG as part of the Pombal Wind Farm Project	ENERTRAG
Review of the report - Territorial Plans, Conditions and Easements for the Amarvento Wind Farm	Amarvento, Unipessoal, Lda
Work in response to requests from the DIA for the Ferreira Solar Photovoltaic Plant	QSUN Portugal 4, Unipessoal Lda.
Drafting of an opinion for the Municipality of Sines in connection with the licensing of the HVO Project	Município de Sines
Visual simulations and noise study of the Ossavento Wind Project	Akuo Energy
Review of the air quality and noise monitoring report for the Unicargas project in accordance with IFC standards	Soapro
Solara 4 Hybrid Environmental Impact Study	Solara4
Ecological monitoring as part of the CCI project	ECO
Study of the major constraints of the Christopher Columbus Power Station 1 - additional	ECO
Environmental Impact Assessment of BLOCK 2/05 (existing offshore oil and gas fields) - physical component and mapping	Soapro
Study for the Preliminary Assessment and Decision to Submit the Beira Wind Farm to Environmental Impact Assessment	LightsourceBP
Environmental studies for the implementation of a wind farm	ENERTAG
Major Constraints Study - Hybridization of the Viçoso, São Marcos, Pereiro and Albercas Photovoltaic Plants	Galp Parques Fotovoltaicos de Alcoutim, Lda.
EIA for the Cacucos Maritime Training Center Redevelopment Project.	Soapro
Additional work as part of the EIA for the Alqueva Power Station	INSUN – INVESTIMENTOS E CONSULTORIA S.A.

NOME	CLIENTE / CLIENTE FINAL
2024	
Environmental monitoring of the construction of the Gemunde Solar Photovoltaic Plant (Famalicão)	Triple Watt, Lda.
Consultancy in obtaining opinions and authorizations for the Penamacor refurbishment project	Saeta Yield
Internal audit of SN Seixal and SN Transformados	SN Seixal
EGC review and 1st JRC fauna monitoring campaign	ECO
Study for Prior Appraisal and Decision to Submit the Sophia Wind Farm to Environmental Impact Assessment	LightsourceBP
Study for Prior Appraisal and Decision to Submit the Alqueva Wind Farm to Environmental Impact Assessment	LightsourceBP
Local Community Involvement Plan for the La Sabina Green Energies Photovoltaic Plant	La Sabina Green Energies
Preliminary Assessment Study for the Environmental Impact Assessment of the La Sabina Green Energies Photovoltaic Plant	La Sabina Green Energies
Social Component for the EIAS of the Unicargas terminal project	Soapro
Opinion under the (PDA) on the GREEN AMMONIA EXPRESS SINES project	Município de Sinest

NAME	CUSTOMER / END CUSTOMER
2023	
Additions to the EGCA and EIA for the Sophia Solar Photovoltaic Plant	Lightsource BP
Pereiro CSF MAT Line - Support for Article 16 of the RJIAA	Suggestion Power
Corridor Environmental Assessment Study - Bodiosa-Fundão Line, including the extension of the Bodiosa substation and Divor-Pego Line	REN S.A.
Support for TripleWatt in responding to the proposal to issue unfavorable prior information on the CIMPOR Souselas UPAC	TripleWatt
Work in response to additional requests from the EIA for the Nisa Solar Photovoltaic Plant	Incognitworld 4, Unipessoal, Lda.
Study of the major constraints of the Christopher Columbus Power Station 1	ECO
Hydrological and hydraulic study of Christopher Columbus 1	ECO
Social study (stakeholder involvement) of the Qsun 3 Ourique project	Qsun Portugal 3, Unipessoal, Lda
Social study (stakeholder involvement) of the Qsun 2 Ourique project	Qsun Portugal 2, Unipessoal, Lda
Environmental consultancy for the Lousal Project	EuroFPV
Environmental studies for the DP World Terminal project	Soapro
Prior notification to the REN CCDR of a wiNRG UPAC	wiNRG
Article 16 report for Ferreira Solar Photovoltaic Plant	QSUN Portugal 4, Unipessoal, Lda.
MartinLongo FC Preliminary Environmental Study	CapWatt
Additions to the Wind Alqueva EGCA	Lightsource BP
Support for CIMAL in the offshore renewable energy assessment process	CIMAL
Studies for the revision of the RECAPE of the LMAT of the Cercal Photovoltaic Plant - Revision of the RECAPE and Deforestation Compensation Plan	Cercal Power, S.A.
Internal Audit at SN Maia	SN Maia
Characterization of the Carregado Power Station heritage (PATA and bibliography)	Hyperion
Environmental report on the analysis of compliance with EIS measures prior to licensing	Iberdrola
Birdlife monitoring for Additional Elements of the Fanhões-Rio Maior 400 kV LMAT	REN
Ecological characterization study of an area for a tourism project in Vila Nova de Mil Fontes - Monte da Malhadinhas	REBELO PEREIRA & VARELA RAMOS, LDA
Ecological monitoring (year zero) of the line connecting the Valverdinho power station to the Fundão substation	VVD, Produtora de Energia Renovável de Valverdinho, S.A.

NAME	CUSTOMER / END CUSTOMER
2023	
Opinion on the PDA for the project "Production of e-methanol from biogenic carbon dioxide and green hydrogen produced from electrolyzed water".	Câmara Municipal de Sines
Social study (stakeholder involvement project) of the SOLARA 4 hybridization project	Solara 4
Social study (Stakeholder involvement) of the Amarvento hybridization project	Akuo Energy
Work in response to requests from the DIA for the Divor Solar Photovoltaic Plant	IncognitWorld 3 Unipessoal, Lda.
Response to the request for information/elements regarding the modification of the wind turbine model for the Fonte da Mesa II Wind Farm	Finerge
Support for the licensing of LUSCIAL - UPAC 3MW	Ibérica Renovables
Prior communication of REN to the CCDR for the Chamusca photovoltaic plant	
Environmental Impact Assessment of the Arouca Photovoltaic Plant and associated studies	Categoryfrontier, Lda
Social Study of the Arouca Solar Photovoltaic Plant	Categoryfrontier, Lda
Social Study for the Pinhel Photovoltaic Plant	Jenner
Social Study for the Vale Prazeres Photovoltaic Plant	Jenner
WIND Project Conditioning Study - Abrigada	Lightsource BP
Preparation of the RECAPE for the LMAT connecting the Mogadouro Photovoltaic Plant to the Public Service Electricity System	Qenergy
Major Constraints Study for the Gáfete Photovoltaic Plant - CapWatt	Capwatt
Major Constraints Study for the Almojanda Photovoltaic Plant - CapWatt	Capwatt
Monitoring of the LMAT project to connect the Mogadouro Photovoltaic Plant to the Public Service Electricity System	Qenergy
Carrying out archaeological surveys at the Mogadouro Photovoltaic Plant	Qenergy
Preliminary Assessment Study for EIA of Fontainhas 1 Projects	Qsun 3
Preliminary Assessment Study for EIA of Fontainhas 2 Projects	Qsun 2
Major Environmental Constraints Study for the Lousal Photovoltaic Plant	EuroFPV
Preliminary Study and Preliminary Study of the Pinhel CSF	Jenner
Preliminary Assessment Study for the photovoltaic project of Mangualde - UPAC 25/30 (area 4)	CapWatt
Five EAPs for Penamacor wind farm retrofit projects	Saeta Yield
Support to the development of the Fundão and Pinhel Power Plants Project	Jenner

NAME	CUSTOMER / END CUSTOMER
2023	
Opinion on the EIA of the "Data Center Sines" Project	Município de Sines
Environmental Studies for the New Fernando Pessoa Photovoltaic Power Plant Area	IBERDROLA
WIND - Alqueva + Sophia Environmental Studies Consultation	Lightsource BP
Technical Note for the modification of wind turbine n.º 6 of Gevancas II Wind Farm	Finerge
Preliminary Appraisal Study of the Batão 2 Photovoltaic Solar Power Station - Fortes Velhos	Chint Solar Portugal
Ecological water quality monitoring at Canedo and Pereira Hydroelectric Power Plants	RP Global
Identification of floristic species of the Orchidaceae family in a site belonging to Cimpor	Cimpor
Work to support environmental licencing of Pegões Photovoltaic Power Plant	Incognitworld 2, Unipessoal, Lda.
Work to support environmental licencing of Ourique Photovoltaic Power Plant	Incognitworld 5, Unipessoal, Lda.
Preliminary Appreciation Study of Fundação Photovoltaic Power Plant	Jenner
Consultancy for the development of Environmental and Social Management Plans for the Ports of Cape Verde	ENAPOR
Environmental Impact Study of Sophia Solar Photovoltaic Power Plant	Lightsdource BP
Local community involvement plan - São Miguel do Pinheiro Solar Power Plant	RP Global
Support in the environmental licensing of a Solar Power Plant in Loulé	Capwatt
Support for SONAE's fish farming National Importance Project classification (PIN) process - Olhão	SONAE MC
Environmental Constraints Analysis of an alternative route for an overhead power line (Valverdinho project)	RP Global
Environmental Conformity Assessment (RECAPE) of Valverdinho Renewable Project	RP Global
Environmental assessment of a site in Mangualde for implementation of Renewable Projects	Capwatt
Preliminary environmental evaluation of a site in Barcelos for the installation of a Solar Power Plant	Capwatt
Preliminary environmental evaluation of a site in Pegões for the installation of a Solar Power Plant	Capwatt
Environmental Impact Study of a hotel in Azóia	Aida Dieckman
Support in environmental licensing for Penamacor Wind Farm repowering projects	Saeta Yield

NAME	CUSTOMER / END CUSTOMER
2023	
Technical Note for Fonte da Mesa II PE (change of GA model)	Finerge
Repowering of Pereiro Photovoltaic Solar Park - Phase 2. Technical Note for environmental analysis	Galp
EIA of Cristóvão Colombo II Photovoltaic Solar Park	ECO
SN Seixal and SN Transformados Environmental Audit	SN Seixal
Strategic environmental assessment of PDIRT and PDIRG 2024-2033	FEUP
Dredge Toxicity Analysis – Sado River	Lisnave
Environmental Technical Note on the reformulation of the Romariz Photovoltaic Solar Park	Quadrante Solene Unipessoal
Preliminary Study and Visual Simulations of Amarvento Hybrid Wind Farm	AMARVENTO, UNIPESSOAL LDA
Constraint Studies, Prior Appraisal Study and Visual Simulations of the Souselvento Hybrid Wind Farm	Souselvento, Lda
Amarvento Bird Monitoring	AMARVENTO, UNIPESSOAL LDA
Amarvento's Chiroptera Monitoring	AMARVENTO, UNIPESSOAL LDA
Bird Monitoring in Souselvento	Souselvento, Lda
Chiroptera Monitoring in Souselvento	Souselvento, Lda
Evaluation of Major Constraints for the H2 La Sabina project	La Sabina
Characterization study of the karst geomorphology of a site at Goncinha (municipality of Loulé)	CapWatt
Ecological monitoring of the water quality at the Canedo and Pereira Hydroelectric Power Plants	HDR
Advising Sines Municipality on two EIA processes	Câmara Municipal de Sines
Archaeological Study and Drainage Project for the SOLARA4 Overfitting	SOLARA4
Studies on Constraints Photovoltaic Power Plant of Gáfete	Hyperion
Analysis of Major Environmental Constraints of the Sobra da Adiça Wind Farm	RP Global III Energia, Lda.

NAME	CUSTOMER / END CUSTOMER
2022	
Ecological monitoring (Birdlife and Chiroptera) and characterisation of the flora and habitats of Paiva Photovoltaic Solar Park	BP LightSource
Study for prior assessment and decision on EIA for the Almodôvar Photovoltaic Power Station	Acciona Portugal II - Energia Global, Lda.
Study of Environmental Incidences of the Over-equipment of Outeiro Wind Farm	Acciona Portugal II - Energia Global, Lda.
Environmental Impact Assessment of the Photovoltaic Plant - Hybrid of Outeiro Wind Farm	Acciona Portugal II - Energia Global, Lda.
Study for prior assessment and decision to submit to EIA the Photovoltaic Plant - Hybrid of Outeiro Wind Farm	Acciona Portugal II - Energia Global, Lda.
Environmental consultancy for the Fundão Photovoltaic Power Station Project	DAYS OF LUCK, Unipessoal, Lda.
Bird and Bat Monitoring Plans, Characterisation of flora and habitats and the Green Structure Plan for the Alqueva Photovoltaic Power Station	INSUN - Investimentos e Consultoria, S.A.
Description to support REN's prior notice for the HEVO-Sul - Solar Hydrogen Plant project	HEVO SINES III, Unipessoal, Lda.
Internal Audit of SN Maia's Environmental Management System (ISO 14001:2015)	SN Maia - Siderurgia Nacional, S.A. / Megasa Group
Bird and Bat Monitoring for the Ossavento Wind Farm Project	Ossavento, Lda. / Akuo Energy
Implementation of the Monitoring Plan for Water Quality in the Dredged - dredging works at Lisnave	Lisnave - Estaleiros Navais, S.A.
Preliminary Analysis of Monte Redondo Biogas Project - Flora and Habitats	CapWatt - Biometano Tomar, S.A.
Constraints study for the Amarvento I Wind Farm Project	Amarvento, Unipessoal, Lda. / Akuo Energy
Environmental Impact Study of a commercial complex in Torres Vedras	Winner Group
Study for the Preliminary Assessment for EIA of the Sanguedo Photovoltaic Power Station	Categoryfrontier, Lda. / TripleWatt, Lda.
Environmental consultancy to CapWatt	CapWatt - Brainpower, S.A.
Heritage and Landscape Study for the Mó Photovoltaic Power Plant	Instantes Cativantes, Unipessoal, Lda. / TripleWatt, Lda.
Mota Engil Engenharia Carbon Footprint Calculation	Mota Engil, Engineering and Construction, S.A.
Preparation of a technical environmental report for the Continua Basadre 4 photovoltaic power station	ENGIE Renouvelables SAS
Carrying out an Environmental Risk Analysis for the REN EHV Corridors - 2022-2024	REN - Rede Eléctrica Nacional, S.A.
Environmental Impact Assessment of the Cristóvão Colombo I Photovoltaic Power Plant	EBGR - Energy Consulting, Unipessoal Lda.
Environmental Compliance Report for the Implementation Project (RECAPE) of the São Miguel do Pinheiro Photovoltaic Power Plant	Fermesolar, Unipessoal Lda.

NAME	CUSTOMER / END CUSTOMER
2022	
Socio-economic Study and Involvement Plan for the local community of the Fernando Pessoa Photovoltaic Power Plant Project	SUNSHINING, S.A. / Prosolia Energy Portugal
Monitoring of the Environmental Management of the Lisbon Drainage Tunnels construction work and associated interventions	Mota Engil, Engineering and Construction, S.A.
Study for the Preliminary Assessment for Submission to EIA of the Project for the Agrupamento de Centrais Fotovoltaicas em regime de UPP de Brunhosinho	PGA Wind
Project for Landscape Integration of the Algeruz Photovoltaic Power Station	Iberdrola Renewables Portugal, S.A.
Studies and projects to support the licensing of Batão Photovoltaic Power Plants	Chint Solar Portugal Projects B.V.
Study for prior assessment and decision to submit to EIA and monitoring of the process, support in the IPPC process, support in the RMO process of three installations for waste valorisation and production of biomethane	CapWatt - Brainpower, S.A.
Modification of the Arrochais Solar Photovoltaic Power Plant Project - Environmental Studies within the scope of Article 16 of the Environmental Impact Assessment Legal Regime	Sunarrochais, Lda.
Prior Notice of National Ecological Reserve for the Ameal Photovoltaic Power Station project	Compatible Potential, Lda. / TripleWatt, Lda.
Prior Notice of National Ecological Reserve for the Romariz Photovoltaic Power Station project	Quadrante Solene, Unipessoal Lda. / TripleWatt
Water Quality Monitoring Plan associated with the dredging works at Lisnave wharf	Lisnave - Estaleiros Navais, S.A.
Studies to support the response to the EID for the Vialonga Power Station	ParrotCircle - Unipessoal, Lda. / Aquila Group
Project for Landscape Integration and Exotic Control Plan for the Torre Bela Photovoltaic Solar Energy Plant	Aura Power Rio Maior, S.A. / CSRTB, Unipessoal, Lda. / Neoen
Environmental Impact Assessment of the Fernando Pessoa Photovoltaic Power Plant in Santiago do Cacém	SUNSHINING, S.A. / Prosolia Energy Portugal
Procurement of expert evaluator consulting services for the Selection Committee of Notice #5	General Secretariat of the Ministry of Environment
Planting Plan and Landscape Integration Project of the Photovoltaic Power Plant of Gemunde	Compatible Potential, Lda. / TripleWatt, Lda.
Planting Plan and Landscape Integration Project for the Ameal Photovoltaic Power Station decommissioning phase	Compatible Potential, Lda. / TripleWatt, Lda.
Environmental Compliance Report for the Implementation Project (RECAPE) of the Cercal Photovoltaic Power Plant LMAT	Cercal Power, S.A.
